Te Hu, are
you ok ?

JS
Ah ....
If I got here faster, I might have been able to catch the guy.
Who was it ?! Why are there increasing number of people that want you ?
Do I look delicious or something?
How did you know?
When you were with us, I noticed someone was shadowing you.
I couldn't recognize the dude's face. So, I wasn't sure.

They will strike on you again ....
It's all right. Let's talk about it later.
I know you are being soft on them, but they are going too far !
Where is she ?
Who ? The bitch ?
She was with me when the chopper attacked.
Could she have been kidnapped?

Can't be ! if they did, they will be miserable !
I will look this way. You go the opposite way !
You really don't need to worry about her !

Was it really Han Seo ? But Han Seo would never make a sneak attack.
Shit - I digested what I ate while running !
You were being idiotic. You were trying to catch a bike by running.
Hiding his face and throw a baseball bet ? That's not like Han Seo !
What a simple progress to meet a conclusion.
Then it's not Han Seo ! Phew, that had me worried.

.....
NO ! NO !
Where do you think you are going ?!
I have to make sure. Don't worry. I will not mention Ha Ji. So, don't worry !
That's not the issue. Aram has no reason to even go near there !
Hey, you ! Come here ! Don't wander around like a crazed dog !

He is my ticket !
Give it back to him now !
Uwaaa ~ my cellular phone ?! I must have dropped it somewhere !
Because of you, Te Hu is wandering around searching for you.
Ach, I told him not to worry about a crazed dog ...
Uh?
Eh ... I must contact him first ...
The number was ...
The number....
People never memorize numbers that they record on their cellular phone.

Nope !
I will simply disappear once you are gone.
You stay right here !
I will go find Te Hu .
What ?!
Do you understand anything ?!
Te Hu is aimlessly looking for you on the street !
Then take me to the hideout. One of the dudes there probably know the number.
She gets smart in such a situation ...

Hey, hey,
call Te Hu now !
Tell him to get
back here !
Tell him that
the crazed dog
is here

He just has too much responsibility
Why would he worry about that crazed dog She'd be even find even if she was abandoned among the chopper punks
Of course Of course
How can you take that as a compliment ?!
Who is that your girl
Dude you've got some skill How did you find such a beauty
No one would take her as his girlfriend
My type is pure and innocent type a typical housewife
You don't have to be protective We won't hit on her
She's really pretty
KFC

Can I eat this
Don't touch that
They are Te Hu's
snack
Sure
Sure
Te Hu doesn't
really like
chickens
anyway
Slow down
geez
You eat as if
you haven't
eaten anything
for days
Be thankfull for
Aram's beauty
Her beauty makes
anything possible
Yeah I am so hungry
You should say
you skipped
one meal

Hm that s a bit pity
My stepmother never gave me any chicken She doesn't even give me money
That s because Aram hated chicken Stop eating
This is amazing Even if she was so hungry that s ten pieces of fried chicken
She even ate all skins
Look at the bones They are clean as it could get
Ate like a true crazed dog

JS
Open your eyes
f you sleep right
after eating those
high calories food
Aram will get fat !!
NO !
NO !
She fell asleep
in a second
again !!
Min Soo
Tch tch pitiful you
are Looks like
you ran nonstop
Clean your
sweats

She is safe. She is there on bed. Knowing you know you will take her home. But at least rest a bit
Who did it ?
Huh ?

Who fainted her
She didn't faint She only fell asleep
Stop with excuses What kind of girl would fall asleep in a place like this where men are everywhere ?!
That's because she can

Who did it ?!
Speak up now !
Min Soo you
be the bad guy
After all you
brought her
f Te Hu explodes
we will all die
Don't push me
Are you ok ?!
$$%
was sleeping
so well
Who made the
loud noise ?!

JS
하아
Not really
only slept
for like 10 minutes
See
She slept
Yeah
We were telling
the truth
You must have
been threatened
How far
will you go
with this
Te Hu
I guess you can't
tell the truth here
Let's go out
I will take you
home

Let me have a glass of water
Ah
You guys even have a refrigerator Can I drink this juice ?
Ah sure
Whoa ?! A snack
Ah sure
Banana can I eat it?
You are already eating it
See? She is a crazed dog
She fell asleep after eating all your chickens
I am telling you the truth Do I have to swear on my mother again ?
I will swear on my girlfriend's virginity

want to
trust you guys
So
please don't do
stuff like this
next time
Hey you
should
stop e
Let her eat
Looks like she
is trying to fill
her stomach
before going
Her stepmother
seems to be
treating her
really badly
was told her
that she wouldn't
give her money
Shit
no wonder she
is always hungry
living in a house
like that

Han Seo usually strikes opponent's hideout or their school shortly after a declaration of war. Maybe it wasn't Han Seo after all.

Those bastards What are we going to do
Looks like they are closing in while communicating with cellular phone They are not coming anytime soon
You don't need to worry about it right now
Eat while we go will take you home before it gets dark
BAR
Te Hu ?!
Argh You want to get her out of here before the fight huh
You should be a knight in a medival era
But being out there alone with a gir s like "I am here take me "

Av wait
How far are we going up ? Don't you take a bus ?

Nope
You can go
if you want
N no
It s all right
What a bunch
of cowards
I've lured him this far
Yet you don't make
a move
This is not Han Seo s
style That means
the one on the
chopper was not
Han Seo
Then why are you
still going with this plan

About time
Here they come
Nice to meet you
Te Hu Kang
am honored to
meet such a famous
dude

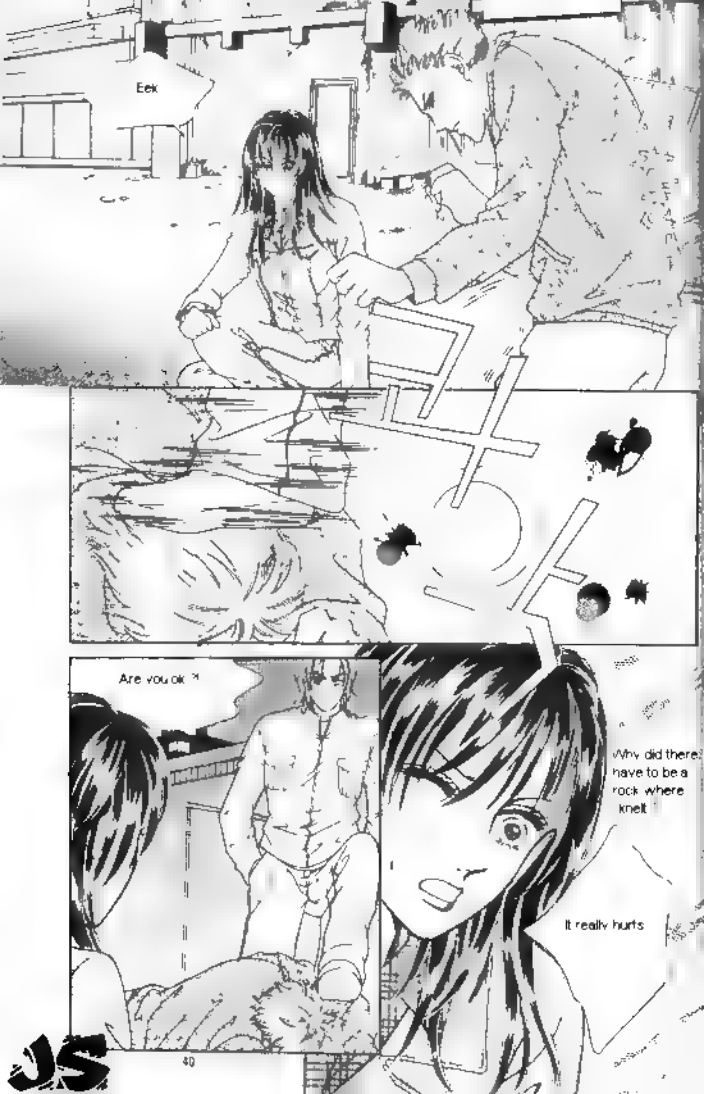
Step aside
Make us
They came in numbers
Well considering Te Hu's reputation he would encounter this kind of treat almost everyday

don't want to fight tonight Pick a date and place and call me later
guess you don't want to be beaten in front of your girlfriend
Don't be so soft. You know they will not back off unless they are beaten.
Sorry lean to a wall
Close your eyes
Cover your ears

Don't be so afraid
This will end soon

Close my eyes and cover my ears
No way am going to miss such an entertainment
Poor Te Hu
하
One
Two
Three

He is fast
He has speed
and accuracy
If I was in Hajji's
body, it would have
been fun to
fight him



Eek
Are you ok ?
Why did there have to be a rock where I knelt
It really hurts
40

He is going to explode
You guys
was going to be easy on you
멍 찟!

Hey, hey
wake up before
I kick you more
Did Han Seo order
you to do this ?
Who is
Han Seo ?
You don't even
know Han Seo
and dared to attack
Te Hu ?
Han Seo Jang from
Doberman
No !

That's
Te Hu ?
That's
Te Hu Kang's
true face ?!

He left things to do for us
Consider yourself lucky if we weren't here you wouldn't get out of here alive
Hey Don't run away alone Take those knocked down guys with you
Well they tasted how Te Hu is like So they won't probably bother him again
But each the rumor is going to get bigger

Sorry
keep making
you go through
this kind of thing
Are you
hurt
Duel me
Te Hu Kang

Right now
Right here
Are you ok
Did you bump your head or

How dare you
Stop !

Even if you are not going to
I see you are angry. I understand. I am terribly sorry that I've gotten you into all this
I will still fight you. So you better fight
If you want to burst you anger it's all right with me

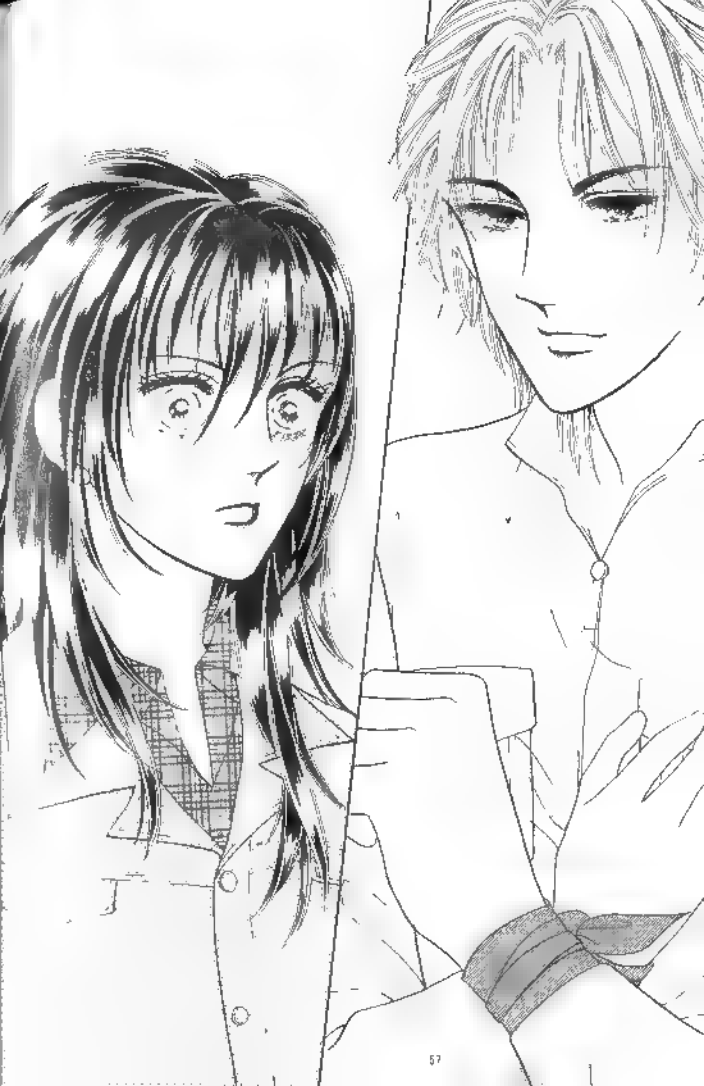
Fast ?!

ハレ

Oh my God
Twirling landing
That crazed dog
is something

All right
That was a nice
punch
Are you going to
get serious now ?
Face me
Te Hu Kang

if tie my hands
it will stop my
hands punching
by reflex
Do All you want
don't have any
intention to fight
you



Hey stop while he is soft
Te Hu doesn't fight women
When Doberman or something was roaming around
Te Hu didn't fight because their leader was a girl
Because was a girl ?

You really

Why
Why is she crying ?!
It was me who was beaten
It looks as if am the bad guy
Do you understand us now
jerk
jerk
you are making me miserable all the time
Can't you protect yourself
you are being beaten up all the time because you look easy
Once you lean to others you won't be able to stand up for yourself

Do you have to be like a puppy that need to be protected all the time

Aram ?!
How who dared to hurt your face Who dared
It was nothing
would rather be beaten to near death f was beaten after did my best wouldn't feel like this
That jerk he has been soft to me all long only because am a girl
He did it again ?! How dare he

To ease your confusion Sin Joo Park and Aram Han are 82
engaged not officially though but by family arrangement

But it s so cool
Living by his own definition and determination means he has the will and power to go on with it
That was the way wanted to live He is living the life have always wanted was so jealous

Aram
Don't worry Aram will find a way to make him hooked on you. If it is for you, I will even use an expedient
Shit
have my tear pool gone broken or what
Why does this body cry so easily
Hic
His over protective caring is going off limit again
Ahh
This is getting way out of control

Hey,
crazed dog !

He is calling you.
Was Aram's nickname crazed dog
Wow, she must have been something
Well, first of all I am glad you look fine It's obvious though
Shit, why does Te Hu care of this crazed dog much anyway
I am warning you if you bother Te Hu again I will get you.
Mind you that I do not care for male or female

You don't have the skill for it

Yeah whatever
No matter how much you go crazed you can't win Te Hu
Do you want me to shut that up if I beat Sin Joo who beaten Te Hu it's the same as beating Te Hu
Only the strongest is truth huh
Well they met their friends
What kind of false information is that ?!
Are you trying to ruin Te Hu's fame ?!
No one has beaten Te Hu
Te Hu never lost ?!
Te Hu and Sin Joo are good friends Te Hu doesn't fight his friends
Then what about my goal to beat Sin Joo in order to defeat Te Hu all all together ?!

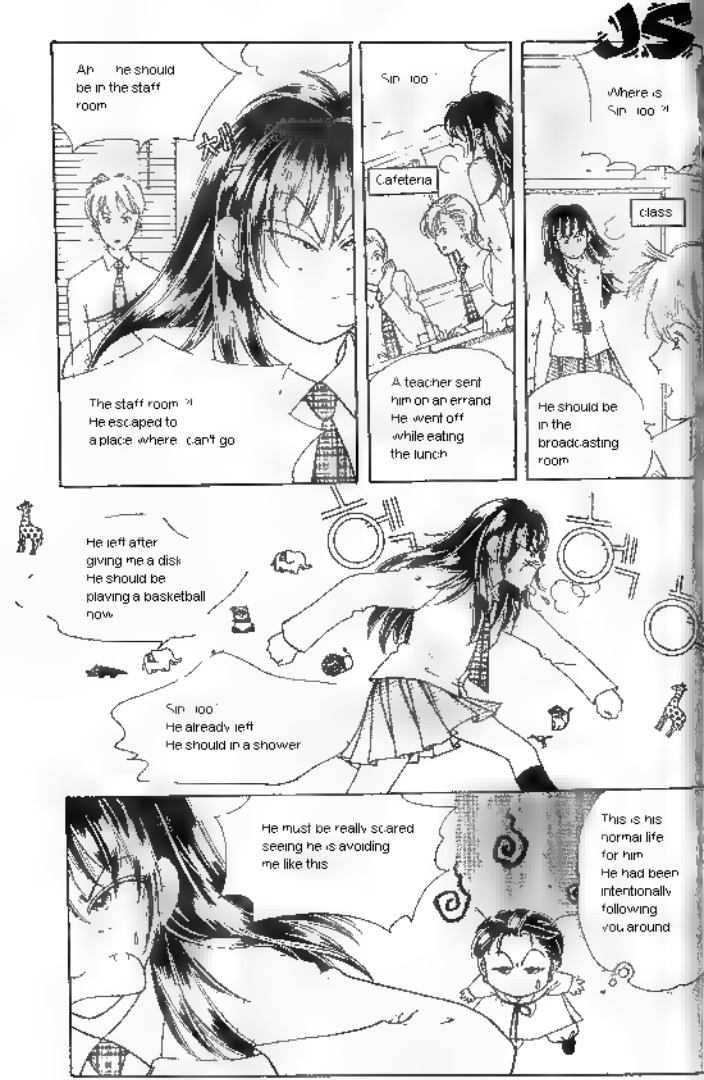
The only reason I kept going to this school was to defeat Te Hu
Is a school some kind of arena to you ?
Well when Sin Joo goes berserk he is as tough as Te Hu If they fight each other seriously it would be like let two dragon fight each other
Really ? So Sin Joo is as strong as Te Hu ?
The fight will be the most interesting but you won't see that coming Te Hu would rather choose to lose than beat a friend of his
So Sin Joo equals to Te Hu Then if I can defeat Sin Joo I could defeat Te Hu also
All right Cheer up Let's go for it
Now she has found a reason to live

Aren't you curious of your destined person?
Destined person?
Humans are bound to meet a lot of people during their life
The reason your emotion is not unlimited is because of oblivion
Your sense of oblivion keeps leading you to meet your destined person
However very rarely there are humans that are destined to only one person during their whole life

Gyeong Cheol Kim
You are my sub-jang
and you are eating
ice cream without me ?!
Listen to me
when I am
getting serious
It's
a holy blessing
as well as a
curse
It is you who
is blessed and
at the same time
cursed
You are connected
to only one person
in your whole life

It s vanilla
Get a chocolate one
now
She she who opened
the pandora s box
valued an ice cream
corn more than her
own destiny
f it is destiny will
get to mee the person
sooner or later anyway
There is no need
to hurry
Why
couldn t Aram
have such
composure
like you do

f she did
Aram s soul
would have been
more peaceful
Hey Sun oo Park
are you here ?!



Ah he should be in the staff room
The staff room ?! He escaped to a place where can't go
Sin too
Cafeteria
A teacher sent him on an errand He went off while eating the lunch
Where is Sin too ?!
class
He should be in the broadcasting room
He left after giving me a disk He should be playing a basketball now
Sin too He already left He should in a shower
He must be really scared seeing he is avoiding me like this
This is his normal life for him He had been intentionally following you around

I've got
you now !

Close the door and go away
What are you expecting a strip show?

Nice
thought you were
just slim But see
you've built up
your body very
good You've got
pretty muscles
was told you were
as good as Te Hu
can see that now
You
you
You are into
body beauty
kind of thing

You have such a nice body want to taste a piece of it
Wh what , what are you saying ?!
So let s duel
Duel

It s you.

This is not good
Sin loo is now
able to distinguish
who is who

He thinks Ha li as Aram s
split personalit y

Get your eyes off me
That looks like it was rather a serious wound it looks like 3 or 4 years old
It healed nicely though leaving a pretty scar
It's really hard to leave a good scar like that you know

JS
Want to see mine
got it years ago
by a knife
No !
Do you want
to make this
a show or
something
Ah this body
doesn't have
a medal like that
No wonder
Sin Joo didn't like
Aram
A normal person
wouldn't think
a scar as a medal
Is it ok for
you to wear
causal clothes ?
It's against
the school rule
It's all right
The school
is soft in
this kind of
thing
You even
have a personal
locker in the
basket ball
club guess
it's nice to
be the council
man
I am a member
of the basketball
club
Does she think
a jjang is like
God

How long are you going to follow me
Until you fight me
You must have a lot of free time
Yep don't have anything else to do
Ho-oh - you don't have anything else to do So you bother me
Yep playing with you is the funniest thing for me anyway
Do you think having this kind of relationship with him is "playing"

You are not normal either
Why is your heart leaping ?!
Have you changed your mind
I thought you weren't interested in me anymore
Did I say that
No way -
You are the first thing I think when I wake up
Don't flatter with me
I am telling you the truth I used to think what to do today when coming to school These days I only think of how to defeat you

There is only one object in your head huh
ep so fight me
There is a free drink party
Where
See you tomorrow
Smartass He escapes like a roach
It seems Sin too knows how you think now
Hey Hey Hurry and run We've got a call

Is every high school guys in Korea have their guts enlarged or what?!
Why are there so many that want to fight Te Hu ?!
B
Come out now!
Quit playing games
하 압
Hey, who's our opponent ?
don't know. Their name is something like Nobreak. haven't heard it before. Must be new

Are you a sluggard ?! Get on it quick
Ah ok
Bastards if they hurt Te Hu even a bit they are dead
Well if Te Hu does explode you won't even have a space to interfere anyway

Crazed dog ?!
How far are you going to follow me ?!
Please get lost
f you get hurt
will be killed by
Te Hu
Come on
They are fighting already

They decided to initiate a duel between a ijang and a sub-ijang
Bastards guess they are not cowards after all
Nobreak think remember hearing about it from Han Seo
Sin Too Park

Why is he here
So this is what he does
Stop fooling around and finish it Sin Joo Park We are getting bored
is Sin Joo fooling around now
Yeah well he never does his best anyway
You Who brought you here ?!
rode on Min Soo s bike
Are you out of mind ?! you brought a gir here
did not mean to bring her She did it on her own will

You are not making any sense
Are you saying a girl caught up on you
it s definitely possible for that girl
es
That s it
I can (illegible) she has some guts it does not change a fact that she is a girl
If you bring her to this kind of sight again you will be off the hook
Ha
knew it
Hey hey end it already
Quit fooling around

You call yourself a gang with that kind of skill
You followed me this far Are you a stalker

That wasn't a bad kick
Hey, who ordered you to do this? Was it Han Seo? You don't know him right?
That bitch
You may be itching to fight but don't do that. If you touch those who are knocked down, it will provoke them.
You were probably still warming up. Too bad for you.
It's no problem for me, but Te Hu will be in a trouble in school.
Quit your sarcasm. If beat the guy in one punch, they would have attacked

I hadn't owed you
wouldn't be doing
this
Ok
All right
Ih
that guy
heard
llang of
Nobreak
changed
He doesn't
look easy

Is he really in a high school ? He looks rotten
He looks like a gangster
He's a gangster
Cowards They brought a graduate ?

I feel sorry for you. Just what did you to piss him off?
Him?

The way he tried to grab looks like he was a judo user
It's easy to evade judo All you have to is not get caught

Nice speed
That was sharp
It's hard to move like that with a muscular body
They are enjoying it
I've got you !

He initiates throwing on Te Hu. And Te Hu is being thrown
But Te Hu used landing technique Not bad
He is now strangling Te Hu
If he can't get out of this it will be game over
They are now broadcasting

JS
Get out of it Te Hu Kang
Give it up already kid
I feel dirty for fighting a high school kid So let me finish
Finish him now
Argh

He escaped
Oh, yes!
This is getting interesting
Calm down
have to kill those two

Te Hu
stepped back
just now ?!
Ah !

Te Hu must have been desperate
But the timing and pose was perfect

Looks like he is trying to make him fall if that goes right it s gonna hurt
Well he is dealing with a judo user it s only logical to attack his lower body
Wrong kid My lower body defense does not fail with your childish trick

Bro
ah
Jiang
His eyes are
aimless
He is done
Well done !
You should have
finished him quickly
You were making us
nervous
He must have
been scared
seeing how
he finished this
so quickly
Nice punch
he must have
faked his attacks
to the guy's lower
body
Well it would
mean that he
was confident
of his fist
But a grown man
was literally
frown
Well
he has always had
a lot more training than
others since childhood
anyway

Since childhood
His pose and skill were perfect Te Hu has always been awesome
That gangster wasn't an easy guy to take out but he knocked him out so fast
want to fight him He's really nice dude
Don't look

Stop ! Don't fill your eyes with images of that man !
Your eyes are fixed at Te Hu. such eyes
No
Don't look !

Who

Who am
Sin Joo Park
Correct
must have gone crazy. That's right. I must not be in a normal mental status.
My hearing ability is premier !

That was cute
didn't know the Seong Hak dude had such a side
Are you all right Jang
It must have been a lucky punch
It wasn't a lucky punch
underestimated him too much
How am going to explain this to him
By the way who is Han Seo think heard that name when you were talking to the phone yesterday
That girl over there kept yelling the name It reminded me

She did
Crazed dog
How much longer are you going to follow us
Where we are going to go is men's world
Heh -
All you could is most likely what people do when they are over 19 anyway

Min Soo is right
It s not a place
a girl should go
Let s go I will
take you home
Te Hu Kang
How can you still
see that crazed dog
as a woman ?!
Get your hand off her
your hand
demand you get
your hand off her
Te Hu Kang

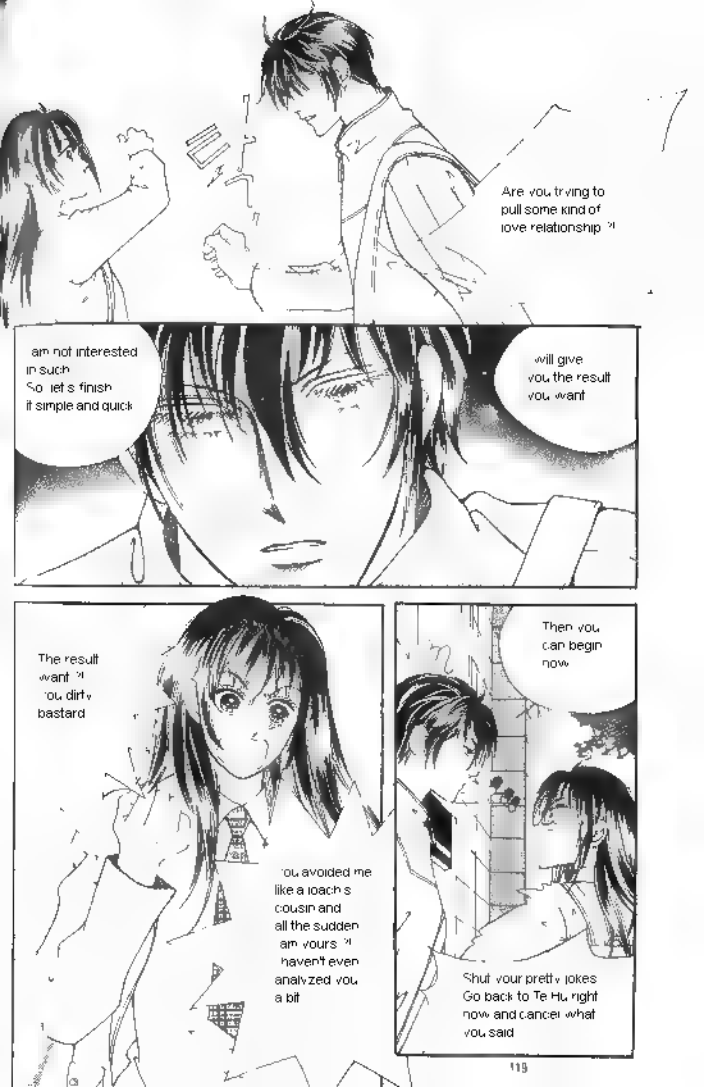
Tell me why
If you do
will let her go

Aram Han
who is the
man you follow
everyday ?
It's you
You always
escape like
a loach
He has reached
a level where he
can even abuse
Ha Ii's
personality
You heard her
She is mine

What I am curious is not her feeling but yours
My feeling is not important
as long as she approaches me first
와
락

Te Hu don't tell me you are interested in that crazed dog ?
If you are not serious don't interfere You are gonna ruin the friendship
can't leave him like that
He reminds me too much of my young and foolish self

She's mine
Mine
Mine
Possession
Below him
Worker ?!
Worker ?!
You bastard
Why am I yours ?!
Her brain had
stopped working
because unrecognized
words were
entered
Now her brain
somewhat met
an awkward conclusion



Are you trying to pull some kind of love relationship ?!
I am not interested in such So let s finish it simple and quick
I will give you the result you want
The result I want ?! You dirty bastard
You avoided me like a roach s cousin and all the sudden I am yours ?! I haven't even analyzed you a bit
Then you can begin now
Shut your pretty jokes Go back to Te Hu right now and cancel what you said

Does Te Hu bother you that much
Of course He doesn't even face me equally But most importantly I still have some business left with Te Hu
I am going to be below someone I'd rather be under Te Hu
These two always talk about two different subjects

I am not interested in someone who is weaker than me
After school tomorrow
I will defeat you as you wish
I can hardly think you are a part of your old self
You would rather choose To Hu M

You seem to be looking for someone to defeat you.
All right I will have it your way this time

Did you hear
He said he is
going to fight
No No
Cancel it
Sin Joo is extremely
mean about fighting
Just what I've wanted
Finally can regain
my broken pride from
Te Hu
Wait
can tell you how to
become the jjang of
Seong Hak without
fighting Sin Joo
So please don't fight him ok
Nope My chance
has come to see
how strong Te Hu
really is No way
am going to miss
that
No have to protect
Aram s body until
Aram s soul comes
back

Well Ha li doesn't want to be a liang to just be be proud of anyway
Ha li's dueling is more like a training She wants to fight for real in order to realize her limitation and strengthen her weakness It s more like a sport for her
The only problem is the real Aram will have to face the circumstance!
Aram - today will sleep with you will take care of your hair as well
Get out !

That perverted old man He ruined my mood
Are you all right? Has she really gone crazy or something?
Her kick is getting stronger everyday. This is a solid proof that she has regained her health
Aram-a could you kick me one more time? Please one more time
He IS a pervert
want to think so as well
Anyway have you made a plan to deal with Sin Joo? I am not sure if you were in Ha Il's body But you cannot win Sin Joo in Aram's body
don't know everything about this body I am hoping to find out every aspect of this body during the duel

S so you are going to just fight with no plan or whatsoever You are going to get hurt
Dude we've been together for a while I guess you grew a bond to me since you are worrying about me
What I am worried about is the safety of Aram's body If you hurt Aram's body seriously the real Aram may have to live with the circumstances
Trust the modern medical technology Even a broken leg can be healed in few hours
Please Give up this fight please

Sin Joo is not like Te Hu
Once his mind is made up
he is going to be
extremely mean
Today's class
is over
Those who are
in charge clean
the classroom
Already ?!
It's not too late
yet Run now
Save yourself
Hey
Gyeong
Cheol Kim
Perfect timing
I have two tickets
to a movie
Do you want to
Not today
I have to meet
Sin Joo

I am going to fight Sin Woo for real at last Expect my victory

A Aram you for me

Well I am not doing this merely for you But you are a part of the motive Once I defeat him you will be able to walk around in the school with pride
Aram you are so thoughtful

You are an angel
When are you going to see the truth

Did you wait long?
I didn't expect crowds, but this is way too empty here. There are only two of us.
The basketball club went out for a meal.
No interferers that'd be better for both of us.
In case you lose?
If you beat me, be whatever you want.
For the last time, ask you again.

To you
the first condition
is someone who
is more powerful
than you
is that correct
This is your
last chance
to withdraw
Ha Ji Kang
you
Of course
I am not gonna
be someone s
worker who is
weaker than me

You asked for this
Dude quit posing around
Can't you sense his aura ?!
I suggest you block your face as much as you can
Huh

That was fast

This nerd is too fast
Defend your face Ajam s nose is gonna be broken

He is not giving me time to attack
His attack is as fierce as Te Hu's
Even if I was in my own body might have a hard time

can't watch this

My timing was perfect
How come
Is his speed faster than what I felt?
No, it can't be
My sensation has always been correct
Yes
You feel sorry after seeing the blood right?
I beg you.
Be gentle on her

It has already begun
have to go through this at least once to be proven as a man by her
My conclusion was correct
It s just that this body does not move fast enough
So to cover up the gap am going to use this

You are pushing your limits
Will you approve me if I pass this test
will
have a handicap having this weak body anyway
believe we've been taught the same thing Aram Han
In order to win do anything by any means

is this what was told being surpassed by opponent s aura
It must be because Aram has record of being lost to him previously
But am Ha li k ang the jjang of Doberman
will not withdraw before a fight

Dodge !

That's cheating
You thought it might be tough to deal
Ha li with
a bamboo sword
right ? Isn't that
why you threw that
hall and made her fall ?!
Ah
Argh

Acknowledge
that you lost
Tell him that
you lost quickly
Acknowledge !

How mean you
are you are
going to break
her bones
Sin Joo Park

His chin line
it's awesome
Was he that
handsome
Huh ?
His nose is pretty
his nostrils also
His lips are sexy
and his shoulders
are very wild looking
from below

Are you a masochist ?!
This is no situation to blush and fall in love ?!
Speak
Acknowledge your loss
You win
He is kicking me so hard I feel as if my internal organs are being messed up

Like thought
You are a cool dude
No way
No way
She has never had any pink colored emotion for him
How can you fall in love with someone who just knocked you down ?!
Argh

Please don't move
you haven't been
examined yet
Dude
he let my
bones survive
It's all right
Looks like
no bone is
broken
How did I get
here
Some male
high school
student brought
you here
If you were
ganged up
wait until I call
the police
Don't abuse your
authority
Children grow up
by fighting
My teeth are
intact also
What a nice
dude

Aren't you angry that you lost
She is thinking everything in a positive way
Of course I am When I was learning karate fencing and others I had never lost to anyone
When I was being stepped on and kicked I felt sorry for those I've defeated
But I didn't know that looking at someone from such an angle would make such a different impression He was quite charming from that angle
So it's like this Sometimes a queenka is more interested in those who are not interested in her So you became interested in someone who was able to defeat you
JS

Are you talking about love
My mistake made her realize
if it could be a temporary emotion So let s not think hard
This is no good Han Seo said such an emotion is not for a jang
Good good he has brainwashed her well
Yeah if it could be only a temporary feeling it s not like will have another chance to see his chin line and handsome nostrils
Handsome nostrils She is out of her mind

am not going
to make the one
who has driven
Aram's soul into
darkness happy
will not let
you two be
connected
easily
Suffer from
this simple-
minded woman

Sin Joo Park
You must be out of your mind

Aram
your face
your pretty
face
It s nothing
Well it did
swell after
woke up
from bed
in this morning
though
It will be fine
after a week
or so
You said
you would meet
Sin Joo yesterday
look this
way
As you can see
completely
lost

Gyeong Cheol
Even
even so
I am still on
your side
I know you did
not mean to do
it
It's ok You are
no longer my
worker
Report to
Sin Joo
from now
on
No No
There is only
you for me
Don't blame
yourself
for what
happened

His fist is as weak as a ball of cotton he is a coward whiny and doesn't really do anything well but he does have loyalty
Ok okay if you really want we can still be like before
Be like before ?! You are breaking your own words !

What can
do
What can
do to stop
this ?!
She is beginning
to see Sin Woo
as a man
Why is my
heart pumping
rate going up
The fear of
being lost must
have been
remembered
by this body
again
I thought you
acknowledged
what happened
yesterday
Do you want me
to repeat the
whole thing again
Or is he your
style rather
than me

keep my words since my loss was due to my weakness
Then declare that right here right now thought everything would be OK as long as I am stronger than you
find it amusing that their conversation can still go on even when they are talking about two different subjects
Then say so
If you are still comparing me with Te Hu
OK all right will say it

Ok ! I am yours !
I belong to
Sin Uoo park !
Are you satisfied
now ?!
Gyeong Cheol

All right
You are now mine
Get rid of those
hidden followers
of yours
don't want to go
out with a whore
you know
What's this
corpse doing
here
We are going
to get rid of
it soon So
don't mind it
You can walk
over it
Just be gentle
He double-
defeated me
This is his way
huh making
sure everyone
knows
Damn it
Does this mean
they are an
official couple
Damn
was going to
hit on her
soon
What you too

Sin Uoo always had said he hated her. I thought it was strange ... Now he has finally hit the ball... what a shock.
It's somewhat understandable though ... If I were him, I would do something about guys approaching her as well ....
He must have been desperate lately... That's probably why he let her declare ...
Well, Aram did change a lot ... she has become very open-minded lately ....
Let's be optimistic. Aram won't be a loner anymore when she returns.
I really hated when she acted like some kind of spoiled bitch.
Ach, let's just return this sword. It's probably school's anyway.

I have no idea a girl like you would be interested in fencing ... Wouldn't it be too much for your slim wrist ?
Let me carry this for you.
Give it to me. I will return it on my way to the fencing club.
I was here first ! What do you think you are doing ?!
You ~ I am a member of the fencing club ! And this bamboo sword belongs to the club !
..... I have to return that to Gyeong Cheol ....
Let it go !
You first !
You bastard !!
Hey, hey, somebody stop them !
Have they gone crazy ?!

They are ... fighting .
If this was the old days, I wouldn't even dare to look at me. And now they are fighting to steal the bamboo sword off me !
Yes, I lost to Sin Uoo and declared to everybody !
I must look easy now ! They are beginning to look down on me !
This is .... so called .. bullying ?!

Have I become a loner ?! This is a life of the weak ?!
I bet it's really hard to brainwashed or to be made to think like that.
Volume 4, end.
